

**Joint Meeting  
Central Oklahoma Chapters  
of the American Meteorological Society  
and National Weather Association**

**When:** Tuesday March 25th, 6:30 pm - 8:00 pm

**Where:** Sarkey's Energy Center, Room 1410, OU campus, (Corner of Boyd and Jenkins)

**Featured Presentation:**

**“When Warnings Go Bad, or 'Just how could we miss an F4?!”**

Ms. Liz Quoetone  
Warning Decision Training Branch

Liz Quoetone has been in the NWS since 1979 and is currently an instructor at the NWS Warning Decision Training Branch in Norman. Her focus is on baseline WSR-88D radar training for NWS meteorologists, as well as advanced training encompassing the elements of the severe weather warning process.

She was born in Oklahoma and is an OU graduate. Her background includes 10 years at NWS forecast offices in Tulsa and in Oklahoma City/Norman, where she was involved in the initial test and evaluation of the NEXRAD radar. She is a councilor in the NWA, a recent recipient of the NWA Individual Operational Achievement Award, and a licensed HAM radio operator.

**Agenda:**

6:30 pm- 7:00 pm	Refreshments provided by COCAMS
7:00 pm- 7:15 pm	Short Business Meeting
7:15 pm- 8:00 pm	Presentation by Liz Quoetone
